Short Description

Product Details:

Dragon Slayer, the new MATX chassis from In Win is small in size and huge in potential. Covered by metallic medieval chain armor like bezel and supported by sturdy dark metal structure this case is built to keep all components unharmed, while providing excellent airflow. Powerful as a giant, Dragon Slayer is capable to accommodate two full-length graphic cards up to 320mm. Extreme ventilation and a cable routing system make this chassis a great knight to fight by your side during any gaming battle. Equipped with anti-vibration pads aside of side panel and water-cooling holes, Dragon Slayer is ready to satisfy the strictest enthusiast.

Features:

Eye-Catching Appearance

Inspired by the medieval chain armor concept

Outstanding Expandability

Supports up to 2 full-length (32cm/12.6") VGA cards

Uncompromising Thermal Solution

Holds up to total of 8 fans provides an exceptional cooling

Cable Routing System

Minimizes cable clutter and enhances the air-flow

Tool-Free Design

For PCI slots and drive bays

Dust-Proof Air Filter

Keeps out the dust and extends the life of components

Super Speed USB 3.0 Interface

Specifications:

Case Size: Mini Tower

Material: 0.6mm SECC

Drive Bays:

1. Option 1: External 5.25" x 3, 3.5" x 1

Internal 2.5" x 1

2. Option 2: External 5.25" x 1, 3.5" x 1

Internal 2.5" x 1, *3.5" x 3 or 3.5" x 2, 2.5" x 1 (*Converted from 5.25" x 2)

M/B Form Factor: Micro-ATX

Power Supply:

1. ATX 12V

2. PSII

I/O Expansion Slots: PCI-E/PCI/AGP Expansion Slot x 5

Front I/O(Ports): USB 3.0 x 1; USB 2.0 x 2; HD/AC'97 Audio

Thermal Solution:

14cm Fan at Top and Front

9cm Fan at Rear/8cm HDD Fan

Optional 12cm Side Fan x 4

Water-Cooling Hole Ready

Dimension(HxWxD): 430 x 196 x 426 mm (16.9" x 7.7" x 16.8")

Security: Padlock Loop / Kensington Slot
