Short Description

This GPU stiffener/mounting bracket for nvidia GTX470/480 series attaches to the MCW60/80 default bracket and provides 8 mount points (same as stock mount) - It is useful to maintain stiffness of the printing circuit board (same as the stock design) in the area surrounding the GPU.

Description

This GPU stiffener/mounting bracket for nvidia GTX470/480 series attaches to the MCW60/80 default bracket and provides 8 mount points (same as stock mount) - It is useful to maintain stiffness of the printing circuit board (same as the stock design) in the area surrounding the GPU.

Compatible GPU waterblocks: MCW60, MCW80

Compatible Graphics Cards (reference models only):

- nVidia® GeForce® GTX 470 & 480 series

Specifications

Dimensions

To ensure compatibility of this mounting kit with your graphics card, please measure the distance between the 4 mounting holes surrounding the GPU (in the center section of the printed circuit board), and compare them to the dimensions listed below:
