Velleman ECS1/2 Hole Island Euro Card 3.9" x 3.1"

Special Price
$6.99 was
$8.99

Product Images

Short Description

Velleman euro cards feature a standard European format for printed circuit boards which may be plugged together into a standardized eurodin connector for fast circuit prototyping across multiple boards. Each epoxy PCB is pre-cleaned, fluxed, hot air leveled, and a post-cleaned (HASL) for maximum oxidation resistance. Copper-tinned 0.041" (1 mm) diameter holes allow for quick component placement and sure solder joints.
