Short Description

Product Details:

Quiet design with 620w PSU

All of the features in the Sonata IV optimize the case's quiet design, from the included 620 watt power supply with whisper-quiet 120 mm fan, to the redesigned case airflow that allows for maximum cooling with minimal fans, to the vibration-reducing silicone grommets for hard drives. Sonata IV is also the most capable Sonata to date, offering a 2.5" drive mount and front-panel USB 3.0.

Specifications:

Case Type	ATX Mid Tower
Case Material	0.8 mm SECC
With Power Supply	620 watt, ATX12V v2.3 with Universal Input and Active Power Factor Correction (PFC) 80 PLUS certified saves you money on your power bills 120 mm double ball bearing low noise cooling fan
Power Supply	620W
Power Supply Mounted	Top
Motherboard Compatibility	Mini-ITX, microATX, Standard ATX
With Side Panel Window	No
External 5.25" Drive Bays	3
External 3.5" Drive Bays	No
Internal 3.5" Drive Bays	4
Internal 2.5" Drive Bays	1
