

# Coolgate Ultimate Performance Copper Tube 120mm Radiator

\$59.95

## Product Images

## Short Description

---

The ultimate radiator has just entered the market and the new brand in to get to know is Coolgate! This new line of radiators is a very end end offering featuring the use of tubes with 90% copper instead of brass tubes to achieve best cooling efficiency. The Coolgate radiator series features the ultimate cooling performance. Committed to improve the ultimate performance of the heat exchanger to meet the needs of the water cooling community.

## Description

---

The ultimate radiator has just entered the market and the new brand in to get to know is Coolgate! This new line of radiators is a very end end offering featuring the use of tubes with 90% copper instead of brass tubes to achieve best cooling efficiency. The Coolgate radiator series features the ultimate cooling performance. Committed to improve the ultimate performance of the heat exchanger to meet the needs of the water cooling community.

## Features

---

- **PERFECT HEAT TRANSMISSION**  
Optimal FPI (fins per inch) is designed for low speed fans to guarantee silent operation
- **GREEN ENERGY**  
Protect environment by using RoHS compliant components, recycled materials and lead-free production
- **EASE OF USE**  
4 G1/4" threads and UNC 6-32 screw threads allow multiple and flexible installations and configurations
- **HIGH FLOW OPTIMIZED**  
Triple parallel rows minimize water resistance and achieve optimal cooling performance
- **THREE YEARS WARRANTY**  
Based on long-standing professional research, development and production we provide full 3 years warranty on Coolgate heat exchangers

## Specifications

---

Specifications:

- Tubes with 90% copper
- Tubes Triple Row 13mm x2mm
- Material: Copper Fins, Brass Chambers
- 7 FPI (Fins per inch)
- 4 x G 1/4 Threads
- Weight: 750g

- Liquid Volume: 200 ml
- Pressure Tested: 1.5 Bar
- Dimensions: 169.6 x 124 x 60mm
- 6-32 UNC threads on both sides for push pull with 120mm fans

Delivery:

- 4 pcs 1/4" in- and outlets
- 1/4" filling port on bottom cap
- Color carton and silicon pads
- 3 pcs black brass plugs.
- 2 set UNC6-32 screws each 30mm and 5mm long

## Additional Information

Brand	Coolgate
SKU	CG-120
Weight	2.0000
Color	Black
Radiator Size	120 (1 x 120mm)
Radiator Thickness	60mm
Vendor SKU/EAN	4260242980010
