

MG Chemicals LCD Cleaning Wipe (Individual Packet)

\$0.39

Product Images

Short Description

MG Chemicals LCD Cleaning Wipes are the quick and easy way to safely clean electronic equipment. Gentle non-abrasive formula, oil and wax-free formula effectively eliminates static charges and repels harmful dust. The special wipes will not leave lint or streak and will not drip. The resulting antistatic barrier repels dust. Also effective for cleaning telephones, keyboards, peripherals, or desktops. Sold by the packet. Each packet contains one 5 x 6 inch wipe.
