Short Description

Hook and Loop Tie Wraps are a great choice for countless applications with their simplicity, versatility and low-cost. They can be used in new building construction, network installations, home theaters, in the office, computer mods, or any bundling project. Our Hook and Loop Ties are highly recommended for securing fiber optic cables; they are adjustable and don't pinch. Hook and Loop Wraps are not only designed for cables and can be used to secure virtually anything. A wide selection of colors and lengths ensures trouble-free color coding and quick identification. Hook and Loop Cable Tie Wraps can be replaced and readjusted in almost no time and require no tools. Our 7 3/4" Inch Hook and Loop Cable Tie Wraps have a minimum shear strength of 10 lbs. and minimum peel strength of .38 lbs.

Description

Hook and Loop Tie Wraps are a great choice for countless applications with their simplicity, versatility and low-cost. They can be used in new building construction, network installations, home theaters, in the office, computer mods, or any bundling project. Our Hook and Loop Ties are highly recommended for securing fiber optic cables; they are adjustable and doN't pinch. Hook and Loop Wraps are not only designed for cables and can be used to secure virtually anything. A wide selection of colors and lengths ensures trouble-free color coding and quick identification. Hook and Loop Cable Tie Wraps can be replaced and readjusted in almost no time and require no tools. Our 7 3/4" Inch Hook and Loop Cable Tie Wraps have a minimum shear strength of 10 lbs. and minimum peel strength of .38 lbs.

- Definitely Super Valuable - Made from fabric material with hook & loop attachments, these cable straps are both reusable and durable. Each pack includes 50 pieces cable organizer..
- Flexibility & Versatility - Each wire ties is 6 in length and 0.7 inches in width. Include an eye hole in the tail allowing the tie to be attached to a cable or hung from a hook. Multiple ties can be attached together to form one longer tie.
- Simple to Use - Organizing cable hooks couldn't be easier. It is much better than plastic cord organizer ties and you do not need to trim it. Gather them together, wrap the durable cord ties around them tightly. The reusable cable ties opens and closes easily and quickly so you can add or remove cables.
- Multi Purpose - Cord management can be used to tie up speaker cables, guitar cables, TV cables, microphone mic, computer cables, and much more. Wire management or mask straps for back of head is ideal for keeping all kinds of pc/computer cable management well organized and tidy in place.

Features

Fastening Cable Ties

For front and back
dual-use

Attmu Reusable Fastening Cable Ties

Flexibility

Include an eye hole in the tail allowing the tie to be attached to a cable or hung from a hook. Take control of cord clutter. Simply wrap around the cable, then the job is done. It's so simple and easy to use.

Easy to Use

Organizing cables couldn't be easier. It is much better than plastic cable ties and you do not need to trim it. Gather them together, wrap the durable cable wraps around them tightly. The cable wrap opens and closes easily and quickly so you can add or remove cables.

Dual-use

These cable ties are made of a self-attaching hook and loop material popularized by products, reusable and durable. They can be for front and back dual-use.

Package

Each Fastening Tie is 6 in length and 0.7 inches in width.

Versatility

They can be used to tie up speaker cables, guitar cables, TV cables, microphone mic, computer cables, and much more. It is ideal for keeping all kinds of cords cables well organized and tidy in place.
