

Phobya Terminal Strip Black 19mm (OD 19mm or 1 1/16") 6 clips

\$4.79

Product Images

Short Description

For clean tubing management the hose is simply pushed into the clip. This helps greatly to achieve a clean design. The clips can either be glued on (hot glue, double-sided tape) or fixated through the small hole with e.g. a M3 screw or a piece of wire. The strip consists of 6 clips which can be used separately or together.
