

# Alphacool 16/10 Compression Fitting 90° Revolvable G1/4 - Deep Black

\$11.55

## Product Images

## Short Description

Alphacool's fittings go new ways in looks, quality of manufacturing, colors and choice. The inner diameter of these fittings truly deserves the "high flow" attribute!

## Description

---

Alphacool's fittings go new ways in looks, quality of manufacturing, colors and choice. The inner diameter of these fittings truly deserves the "high flow" attribute!

The first three colors, Chrome, Deep Black and Shiny Copper offer something for every taste. The product matching series are designed to look elegant in every system, highlighting the individual design of the computer. The limits are endless with these Alphacool fittings in combination with Alphacool tubing!

With a new process during chromatising the surface finish is completely connected with the brass body, hence ensuring permanent intense colors and peeling of the chrome layer. The Alphacool name in blue lettering on some of the fittings additionally underlines the individuality of these items.

## Specifications

---

### **Functionality of this connector:**

This fitting can be used to connect 16/10mm tubing with a 1/4" thread. The fitting is angled by 90° and is revolvable, making it ideal for easy hose routing in the system.
