Description

Koolance "F-shape" tubing splitter: 1/2" (13mm) to dual 1/4" (6mm) ID.

Can be used in a setup with parallel cooling of the hardware.

Heavy-duty tool-less design, with chrome-plated brass fittings and black anodized aluminum base.

CAUTION: This item is a standalone DIY product, and is not recommended for use in Koolance PC2-600/900 or PC3-400 series systems

Features

NOTE: Liquid Coolants Koolance's product warranty does not cover the use of 3rd-party coolants, coolant additives, or corrosion. Koolance LIQ-702 or LIQ-705 coolants are strongly recommended to help avoid issues with mixed metals or biological growth. Additionally, do not use aluminum with bare (unplated) copper or bare (unplated) brass in the same system. Do not use silver with nickel in the same system.
