Short Description

Introducing the Spectre™ Non-LED Fan Series from BitFenix. Engineered for both silent operation and maximum airflow, Spectre will keep your entire system well ventilated without making it sound like an airplane hangar. Spectre Fans are designed with sickle fan blades, which enhance airflow without producing excess noise. Fluid dynamic bearings reduce friction for long life and quiet operation, while an attractive matte finish gives your entire system a look that's second to none.

Powerful yet whisper-quiet - The Spectre Fan Series.

Engineered for both silent operation and maximum airflow, Spectre will keep your entire system well ventilated without making it sound like an airplane hangar. Spectre Fans are designed with sickle fan blades, which enhance airflow without producing excess noise. Fluid dynamic bearings reduce friction for long life and quiet operation, while an attractive matte finish gives your entire system a look that's second to none.

Powerful yet whisper-quiet - The Spectre Fan Series.

Features

Silent Operation:

Keeping your cool shouldn't mean having to make a racket at the same time. BitFenix Spectre fans are designed to cool silently, so you can keep your mind focused on the task at hand.

Enhanced Airflow:

Spectre Fans feature sickle fan blades, which create a torrent of air without creating excess noise. This means that your system stays cool in the heat of battle without disturbing your computing environment.

Fluid Dynamic Bearings:

FDB technology keeps things running smoothly by reducing friction for long life and silent operation.

Aggressive Looks:

Spectre non-LED Fans are made out of thermoplastic crystalline polymer, which lends a luxurious matte finish. Made from quality materials, Spectre keeps your system looking great.

Specifications

Spectre™ Non-LED Fans

Materials	PBT
Color (Frame/Blades)	Black/Black
Bearing Type	Fluid Dynamic Bearings (FDB)
Voltage (v)	12
140mm	
Dimensions (mm)	140 x 25
Current (A)	0.10
Speed (RPM)	800-1000
Air Flow (CFM)	60
Noise (dB-A)	18
Air Pressure (mmH2O)	1.93

Additional Information

Brand	Bitfenix
SKU	BFF-SCF-14025KK-RP
Weight	0.6000
Color	Black
Fan Dimensions	140mm
Fan Width	25mm
Fan Voltage	12 VDC
Fan RPM	1000
Fan CFM	60
Fan Noise (dB)	18
Special Price	\$3.95
