

Monsoon UV Black Delrin 3/8" (5/8" OD) Tubing Clamps - 10 Pack

\$9.95

Product Images

Description

An easy to use adjustable plastic hose clamp made of high quality Delrin for use with any tubing.

NOTE: Clamps may arrive in DangerDen retail packaging, but are manufactured by Monsoon

Features

- Designed and manufactured specifically for case modders and water coolers.
- More compact clamping head that allows for use in tighter harder to reach locations and has a smaller visual "footprint" for cleaner looking installations.
- Molded in more durable, higher quality POM/Delrin vs. Nylon.
- Available in 8 colors with corresponding UV glow.
- Color matched to Danger Den Dream Flex tubing.
- UV glow is molded in--not added as a cheap surface paint or dye that is easily marred or scratched by pliers or rapidly fades.
