

Premium Stainless Steel Needle Nose Pliers, Fine Point, 5 1/4 inch

\$5.99

Product Images

Short Description

These 5 1/4 in. Needle Nose Pliers enable precise maneuvers in tight spaces. Fashioned with teeth that run all

the way to the tip, this instrument is able to twist and grip small objects in hard-to-reach areas. The double-dipped handles make it comfortable to grip and the jaws open easily thanks to a built-in spring. Constructed with forged steel, this tool is coated with a rust-resistant finish for lasting durability.
