Phobya Extension G1/4 to \$3.19 G1/4 - Knurled - Black Nickel

Product Images

Short Description

Product Details:

This extension (G1/4" outer thread to G1/4" inner thread) can be used to extend connection threads and therefore allows easier use of angled fittings. E.g. the output hose can therefore be mounted in the same direction as the hose for the Input as the fitting are at different heights.

Specifications:

Color: Black nickel plated brass Height without thread: 10.7mm Thread length: 4mm

Extent of delivery: Extension G1/4" to G1/4" knured - black nickel

Please note: This knurled extesion is shipped with a seal
