

Silverstone Technology TJ08B-E Evolution Black Aluminum Front Micro Tower

\$149.99

Product Images

Short Description

In 2006, SilverStone launched the Temjin TJ08, an impressive micro-ATX tower case with then unheard of dual 120mm fan configuration. It helped pioneered the idea of big tower cooling performance in small packages. Five years later, improved technology and design has enabled SilverStone engineers to create another pioneering small tower case in the TJ08 Evolution (TJ08-E). To improve cooling performance, a class leading “Air Penetrator” 180mm fan was installed behind the front panel to create virtual airflow tunnel with positive air pressure, which also improves quietness and dust prevention.

Description

In 2006, SilverStone launched the Temjin TJ08, an impressive micro-ATX tower case with then unheard of dual 120mm fan configuration. It helped pioneered the idea of big tower cooling performance in small packages. Five years later, improved technology and design has enabled SilverStone engineers to create another pioneering small tower case in the TJ08 Evolution (TJ08-E). To improve cooling performance, a class leading “Air Penetrator” 180mm fan was installed behind the front panel to create virtual airflow tunnel with positive air pressure, which also improves quietness and dust prevention.

Standard enthusiast features retained or improved include removable motherboard tray and top panel, CPU back plate cutout, all black painted interior, removable filters for all intake vents, and beautifully finished aluminum front panel.

Features unique to the TJ08-E are its ability to accommodate long cables from high-end power supply and storage room for one 2.5” hard drive and up to five 3.5” hard drives. If you are looking for a classic, cleanly styled premium micro-ATX tower with the latest chassis construction technology to house top-of-the-line components, the TJ08-E is it.

Specifications

Model No.	SST-TJ08-E(black)	
Material	Aluminum front panel, steel body	
Motherboard	Micro ATX, Mini-DTX, Mini-ITX	
Multimedia	--	
Drive Bay	External	5.25" x 2
		3.5" x 1 (compatible with one 3.5" hard drive)
	Internal	3.5" x 4, 2.5" x1
Cooling System	Front	1 x 180mm AP181 intake fan, 700/1200rpm, 18/34dBA (backwards compatible with 140mm fan)
	Rear	1 x 120mm fan slot (option)
	Side	--
	Top	--
	Bottom	--
Expansion Slot	Internal	--
		4
Front I/O Port	USB3.0 x 2 (backwards compatible with USB 2.0) Audio x 1 MIC x 1	
Power Supply	1 x optional standard PS2 (ATX) up to 160mm	
Operating system support	--	
Expansion Card	Compatible up to 13.25" long*	
Limitation of CPU cooler	165mm	
Limitation of PSU	160mm (recommended), 180mm (maximum)	
Net Weight	5.3 kg	
Dimension	210mm(W) x 374mm(H) x 385mm(D)	
Extra	--	

Additional Information

Brand	SilverStone Technology
SKU	SST-TJ08B-E
Weight	20.0000
Color	Black
Chassis Form Factor	Mini-Tower
Side Panel	No Window
Material	Aluminum/Steel
PSU Wattage	No PSU
Vendor SKU/EAN	844761007973
