

AKASA HDMI Angle Adapter

\$5.99

Product Images

Short Description

Product Details:

The akasa AK-CBHD04-BK HDMI angle adapter enables up to 90 degree left and right angle connections for space saving and flexible use. HDMI devices located in close proximity to the wall can cause severe cable bending leading to extra pressure being put on HDMI ports. The 180 degree swivel design solves this problem in most situations. This adapter is ideal if the cables are being run up or down the wall to the display. It can be also used when the display is mounted on an adjustable arm or if it has an awkwardly positioned connector. This high quality swivel adapter uses gold plated contacts for perfect signal transfer and enhanced corrosion resistance. High Speed HDMI 1.3 with Deep Colour compliance ensures zero data loss which makes this adapter suitable for professional as well as home use.

Features:

- Enables right and left angle HDMI connections to HDTV
- Space saving 180 degrees swivel design
- HDMI 1.3 with Deep Colour compliance
- Full 1080p resolutions supported
- 24K gold connectors

Space saving 180 degrees swivel connector enables right or left angle connection

Specifications:

Application:	HDMI connectivity
Designed for:	Enables right and left angle connections
Connectors:	HDMI male to female
Supports:	1080p full HD transmissio
Transfer speed:	10.2 Gbps (max)
Dimensions:	67 x 21 x 14mm
Colour:	Black
Product code:	AK-CBHD04-BK
