Description

Venom pico is a unique cooler combining high performance with great value and striking looks.

The highly effective 92mm fan in killer Viper yellow delivers vast amounts of airflow for top notch cooling. The PWM function ensures quiet operation during normal system use and performance cooling under load. Two copper heatpipes with direct CPU contact provide rapid heat transfer from CPU to high grade aluminum fins. Anti-vibration rubber fan mounting pins help to eliminate a lot of fan noise.

New design akasa (patented) Easy Select Clip with Intel reference push-pin retention is used for no-hassle mounting on Intel LGA775, LGA1156 and LGA1366 platforms - no backplate is needed. AMD Sockets 939, AM2, AM2+ and AM3 are catered for with a cam-lever clip for safe and easy attachment. Performance thermal compound is supplied.

Specifications

Socket type	Intel LGA775, LGA1155 & LGA1156 AMD Socket AM2, AM2+, AM3 & FM1
Cooler dimensions	138.5 (H) x 94 (W) x 76 (D) mm
Heatsink material	High grade aluminium fins, copper heatpipes
Weight	364g
Installation	Push-pins (Intel) or Screws (AMD)

Fan dimension	Ø92 x 25mm
Fan speed	600 - 3000 RPM (PWM controlled)
Max airflow	57.92 CFM
Max air pressure	5.62 mm H ² O
Noise level	34.2 dB(A)
Voltage rating	12V DC
Bearing type	EBR
Fan life expectancy	40,000 hours
Fan connector	4pin PWM
Product code	AK-CC4009EP01

Additional Information

Brand	Akasa
SKU	AK-CC4009EP01
Weight	1.5000
Color	Yellow
Material	Copper/Aluminum
Fan Dimensions	92mm
Fan Connection	4-Pin PWM
Special Price	\$18.95
