

Phobya 13/10mm L-Hose Connector Knurled - Silver Nickel

\$3.95

Product Images

Short Description

Product Details:

High-grade robust hose connector. The hose is fixated safely by the union nut and seals immediately, yet it can easily be released with one hand. The connector is angled by 90°. This system ensures maximum safety and easy of use. The connector is compatible with hoses with an outer diameter of 13mm and an inner diameter of 10mm.

Specifications:

Material: Silver nickel plated brass

Hose compatibility: 13/10mm

Extent of delivery:

1x 13/10mm L hose connector - knurled - silver nickel
