\$7.49

## Product Images

## Short Description

### Product Details:

This Y-cable distributes the power of a 4-Pin Molex power connector of the PSU to 4 additional SATA power plugs. This makes sure that you always have plenty of connectors for your system!

### Sleeving:

This cable is not only practical, it is also optically appealing. The surrounding mesh, also called sleeve, which is surrounding the cable itself offers the advantages that every Pro-modder is looking for: A completely unique look, even of the cables in the system! Special attention was paid to the combination of cable connectors, sleeve and heatshrink which were used to ensure great design and a unique as well as elegant look.

### The idea behind these cables:

Phobya's goal is to make the work of professional and hobby modders a bit easier with these cables. Sleeving is a lot of work and requires much time. But with these cables by Phobya the whole system can be redesigned any way you like by simply adding these cables.

#### Specifications:

- Connectors: 4-Pin Molex to 4x SATA power connector
- Colour: Black
- Dimensions: 20cm
- Conforms with RoHS

#### Extent of delivery:

- 1x Phoby Multi SATA power connection cable (4x) - individually sleeved - black
