A Pure Gaming Experience The Xornet gaming mouse is lightweight, ergonomically designed and forged with a reassuringly solid design. It is built for professional FPS gamers that prefer a claw grip. Engineered to execute precise in-game tactics, Xornet comes loaded with a high-performance 2000 DPI sensor that includes on-the-fly adjustment, an ultra-step wheel encoder providing extremely accurate scrolling, and Japanese-made Omron micro-switches that are meant to endure up to five million clicks. Presented in a eye-catching crimson stealth black high-gloss finish, Xornet lends its truly breathtaking appeal as the focal point of a gamers setup.

Features

Precision Anti-Drift Control Sensor

- Xornet utilizes the latest high performance optical engine ensuring extreme stability and reliability. Based on an anti-drift architecture, it delivers stable and precise tracking in mouse lift and drop scenarios. Angle snapping can be enabled or disabled for exact swift crosshair movements enabling amazing skill-shots and incredible aiming accuracy.

Omron Micro Switches (5 million clicks)

- Only the best is good enough! Omrons patented ultra tactile micro switches enable unsurpassed tactile feedback and speed. You will be able to reach an incredible amount of clicks per second while still feeling and controlling every single click. Omron guarantees a minimum amount of 5 million clicks for these highest grade switches, giving Xornet an extended life-span even for hardcore gamers.

DPI On the Fly

- Conveniently placed under the scroll wheel, you can switch the DPI resolution between 500, 1000 and 2000 within an instant.

Rubberized Anti-Slip Design

- A Special sweat proof rubber compound on both sides of Xornet gives you maximum grip. Even in heated hour long matches and during quick lift and drop moves you retain full control while repositioning and racing

Xornet over the mousepad.

Specifications

- Interface: USB
- Hand Orientation: Right Hand
- Tracking Method: Optical
- Buttons: 5 Mouse Buttons + 2 Fix Function Buttons
- Scrolling Capability: 1 x Wheel
- Color: Black
- Maximum dpi: 2000 dpi
- Material: Rubber Grip / ABS Plastic
- Dimension: (L) 107 X (W) 75 X (H) 35 mm / (L) 4.2 X (W) 4 X (H) 1.3 inch
- Maximum Tracking Speed: 160 IPS
- Maximum Acceleration: 23 g
- Polling Time: 1.0 ms
- Speed Measurement: 6700 FPS
- Onboard Memory: 8 Kb

Additional Information

SKU	SGM2001BLON1
Weight	2.0000
Color	Black
Connection Type	USB
Mouse DPI	6400
