Product Images

Short Description

This cable is intended for connection of a 3-Pin device (CPU cooler, case fan and much more) to a PSU power connector (4-Pin Molex)

Description

Product Details:

This cable is intended for connection of a 3-Pin device (CPU cooler, case fan and much more) to a PSU power connector (4-Pin Molex)

Features

Sleeving:

This cable is not only practical, it is also optically appealing. The surrounding mesh, also called mesh, which is surrounding the cable itself offers the advantages that every Pro-modder is looking for: A completely unique look, even of the cables in the system! Special attention was paid to the combination of cable connectors, sleeve and heatshrink which were used to ensure great design and a unique as well as elegant look.

The idea behind these cables:

Phobya's goal is to make the work of professional and hobby modders a bit easier with these cables. Sleeving is a lot of work and requires much time. But with these cables by Phobya the whole system can be redesigned any way you like by simply adding these cables.
