

Phobya Extension 3Pin Molex Individually Sleeved 30cm - Black

\$3.21

Product Images

Short Description

Product Details:

Extension cable for connection of a 3-Pin fan (CPU-fan, case fan etc.) to a Mainboard connector or other fan socket (3-Pin Molex). Approx. 32cm in length and with rpm lead.

Next generation sleeving:

This new sleeving is even more advanced: The leads are sleeved individually!

Optically this new design sets a new benchmark and offers the finishing touch for your system. The sleeve is extremely dense and offers the

effect for which all pro sleevers are looking: A completely new look for a more elegant and sleek appearance of the system. Special attention was paid to the combination of cable, connectors, sleeve and heatshrink to create a matching design for maximum effect.

The idea behind these cables:

Phobyas goal is to make the work of professional and hobby modders a bit easier with these cables. Sleeving is a lot of work and requires much time. But with these cables by Phobyas the whole system can be redesigned any way you like by simply adding these cables.

Specifications:

- Connectors: 3-Pin extension
- Colour: Black connectors, black sleeve, black heatshrink
- Length: 30cm
- Conforms with RoHS

Extent of delivery:

1x Phobyas extension 3-Pin Molex 30cm - black
