Description

Evercool's new Titan Low Profile CPU Cooler for Intel LGA 1155 and Intel LGA 1156!

Features

- Radial aluminum fin design: centralizes airflow and enhances thermal dissipation
- Back holder design: keeps the motherboard from deforming
- 30mm low profile design: suitable for Home Theater PC (HTPC case)
- Compatibility: Intel LGA 1155 / 1156
- DC-155A915Z/R: Low noise fan for better performance
- DC-155A915Z/RPW: PWM speed controller: for effective cooling and minimum noise

Specifications

CPU Support:

For Intel LGA 1155

- Intel Core i7-2600S
- Intel Core i5-2500T/S、2400S、2390T
- Intel Core i3-2120、2100/T

For Intel LGA 1156

- Intel Core i5-680、670、660、655K、650
- Intel Core i3-560、550、540、530
- Intel Pentium Dual-Core G6960、G6950

Specifications:

- DC-155A915Z/R -	95 x 95 x 30 mm
Outline Dimension	95 x 95 x 16 mm
Fan Dimension	12V DC
Rated Voltage	0.25A
Rated Current	3.0W
Power Consumption	2600±10% RPM
Rated Speed	47.61 CFM
Airflow	0.153 InchH2O
Static Pressure	<33.4 dba="" br=""> 3-PIN
Noise Level	Z-axis Bearing
Connector	60,000 Hours
Bearing Type	95 x 95 x 30 mm
Life Time	95 x 95 x 16 mm
- DC-155A915Z/RPW -	12V DC
Outline Dimension	0.25A
Fan Dimension	3.0W
Rated Voltage	1000±25%~2600±10% RPM
Rated Current	18.3~47.6 CFM
Power Consumption	0.039~0.153 InchH2O
Rated Speed	<24.8~<33.4 dba="" br=""> 4-PIN PWM function
Airflow	Z-axis Bearing
Static Pressure	60,000 Hours
Noise Level	
Connector	
Bearing Type	
Life Time	

Additional Information

Brand	Titan
SKU	DC-155A915Z-RPW
Weight	2.5000
Material	Copper/Aluminum
Fan Dimensions	95mm
Fan Connection	4-Pin PWM
