Short Description

The Metro Data Vacuum ED500 Datavac Electric Duster has a powerful 500-watt electric motor that blasts off dust, dirt and debris to keep expensive computer and electronic equipment thoroughly clean and running at peak efficiency.

Description

Metro Data Vacuum ED500 Datavac Electric Duster

Turn on the "green" power of Metro's all-new Metro Data Vacuum ED500 Datavac Electric Duster, the last "can of air" you'll ever have to buy. The Metro Data Vacuum ED500 Datavac Electric Duster is ideal for all computer/electronic, audio/video, and digital camera equipment.

More Effective Than "Canned Air"

The Metro Data Vacuum ED500 Datavac Electric Duster has a powerful 500-watt electric motor that blasts off dust, dirt and debris to keep expensive computer and electronic equipment thoroughly clean and running at peak efficiency.

More Economical Than "Canned Air"

All-steel and built to last, Metro Data Vacuum ED500 Datavac Electric Duster is much more cost-efficient than expensive, throwaway cans of air!

"Greener" Than "Canned Air"

Electric power eliminates the need for dangerous, environmentally damaging aerosol cans.

Safer Than "Canned Air"

Blows clean, dry, filtered air safe for all computer/electronic equipment, printers, copiers, fax machines, digital cameras, etc. Condensation-free. Contains no dangerous propellants.

USED IN HOUSE BY ALL THE TECHS AT PPCS AND HIGHLY RECOMMENDED!

Specifications
