

# Swiftech CrossFireX 3X Bridge for Komodo HD7900

\$27.95

## Product Images

## Short Description

This new series of manifolds, also referred to as "bridges", provide an elegant and convenient solution to implement CrossFireX™ with the Komodo HD7970 and upcoming HD7950 full cover waterblocks. When installed, the logo becomes illuminated thanks to the LEDs that are built into the Komodo HD7900 series waterblocks.

## Description

This new series of manifolds, also referred to as "bridges", provide an elegant and convenient solution to implement CrossFire™ with the Komodo HD7970 and upcoming HD7950 full cover waterblocks. When installed, the logo becomes illuminated thanks to the LEDs that are built into the Komodo HD7900 series waterblocks.

## Features

### Configurations
