

Phobya 13/10mm (3/8-1/2) (10x1.5mm) Compression Fitting 45° Revolvable G1/4 - Compact - Black Nickel

\$4.99

Product Images

Short Description

Product Details:

High-grade and robust compression fitting with cylindrical thread (G1/4"). The hose is fixated with the union nut and is safely sealed, yet it can simply be released by hand. The fitting is angled by 45° and can be revolved freely (360°).

Ideal for systems with high flow and little space as well as Chipset cooling, VGA cooling or DIY projects. This system ensures maximum safety and ease of installation.

Specifications:

Material: Black Nickel plated brass

Connectors: G1/4" connection thread and 13/10mm hose connector (3/8-1/2")

Height: 50mm

Outer diameter union nut: 20mm

Extent of delivery:

1x 13/10mm (10x1,5mm) compression fitting 45° G1/4" - black nickel
